## I. County Characteristics

Square Mileage: 759.62

Minidoka County is located in south-central Idaho, along the Snake River Plain. It ranks 18th among Idaho counties in population and 35th in area. The federal government owns nearly 36 percent of the county. Agriculture, food processing and trade are the major economic activities, and government also provides significant employment. Annual average total civilian employment decreased 1.4 percent from 1996 to 2006. Major employers include the Minidoka County School District, Minidoka County government, City of Rupert, Minidoka Memorial Hospital, Amalgamated Sugar, Magic Valley Foods, Brewster Cheese, Gossner Foods and Burley Inn, Inc.

The construction of the Minidoka Dam by the Bureau of Reclamation stimulated creation of thousands of acres of irrigated farmland. The dam, completed in 1906, powered the first hydroelectric generator in the Northwest. Much of the northern region of the county remains arid desert land covered with interesting formations of lava flows. Lake Walcott Park and Minidoka National Wildlife Refuge offer superb recreational opportunities.

## IV. Transportation Related

Collision History 2005-2009

\*Non-injury collisions are included in total collisions and are not displayed separately

Number and Percent of Persons Killed or Injured in Motor Vehicle Related Collisions 2009

Highway Miles 2009  
(Gravel is considered improved)

"This Total Mileage does not represent all mileage in the area of jurisdiction. It does not include, for example, city streets, private roads, Forest Service or BLM roads, or any other roads that may exist, but are not considered by the jurisdiction to be part of that jurisdiction's road system. There are usually many miles of roads in existence beyond those included in this report." Idaho Transportation Department
